

## East Hamilton Middle School Computer Literacy 6<sup>th</sup> grade Course Syllabus

**Abigail McDonald**  
**mcdonald\_a@hcde.org**

Throughout this course, students will focus on the following Tennessee State Standards for Computer Literacy:

- *Demonstrate fundamental keyboarding skills.*
- *Interact with peers, experts, and others using a variety of digital tools and devices.*
- *Use menu, toolbar, and editing functions (font, size, style, line spacing, margins, spellcheck) to format, edit, save, and print a document.*

Resources:

The majority of the work done in this class will be on the computer. For keyboarding practice, please encourage your children to utilize the following websites for additional practice.

[www.powertyping.com](http://www.powertyping.com)   [www.nimblefingers.com](http://www.nimblefingers.com)   [www.freetypinggame.net](http://www.freetypinggame.net)  
[www.typingweb.com](http://www.typingweb.com)

We will also be using [www.keyboardingonline.com](http://www.keyboardingonline.com) Students will have their own account on this program. They are expected to complete 2 lessons per week and take two keyboard tests per week. While working at home, please encourage students to do the lessons correctly by not looking at the keyboard. We will also be using Google Docs to practice our typing skills further. These skills will greatly enhance your student's abilities to enter the 21<sup>st</sup> century workforce.

6<sup>TH</sup> grade classes will be 9 weeks. The primary focus in this class will be keyboarding. Being able to type efficiently and quickly will greatly assist your child as he takes online tests, does homework, completes classroom assignments, etc. It is a vital skill to possess.
