Parental Consent Form for Student Participation in School Clubs

Hamilton County Schools is committed to creating school environments where every student experiences connection and belonging. In an effort to create opportunities for students to connect with other students, educators, and the school community, we have identified club options for the students of East Hamilton Middle School. Clubs will meet once a month on Fridays starting August 29, 2025! By board policy, parental permission is required for any student joining a club(s) at their school. This requirement applies to all clubs.

This document is intended to communicate with parents/guardians about the many club options at East Hamilton Middle School and to allow parents to identify any club they **do not want** their child to participate in. Any club a parent has not "opted out" of will be available for their student. Parents/guardians, please review the list of clubs, indicate any club you want to "opt out," sign, and return to the school. If you do not wish to "opt out" of any clubs, simply sign and return.
