

East Hamilton Boys Soccer Information

Thank you for your interest in our soccer program and allowing your child the opportunity to come out for the team. Here is what the players need to know before coming out for soccer.

- Tryouts will begin January 28, with final team selection being made on the 30th. There will be no JV team this season. I will be selecting 22 players total. Final selection will be added to the EHMS website under Boys' Soccer Roster.
- Each player is responsible for bringing practice attire daily. This includes athletic shorts, t-shirt, cleats, shin guards, and any other accessories the child needs for practice, i.e. goalkeepers' gloves. I will provide balls and other practice equipment. Normal practice after tryouts will conclude at 4 PM Monday through Thursday. Weather permitting. In case of rain or other weather conditions we may move practice indoors depending on space availability.
- The cost for each player will be \$100 but this will include a hoodie and athletic fee. If this is an issue, don't hesitate to discuss this with me. I don't want this to have any bearing on coming out for the team. Fees will be collected after tryouts.
- All players must have a current physical (dated after April 15, 2025), concussion form, cardiac arrest form, and emergency form. All paperwork is available on TSSAA.org or on the school web site.
- All paperwork must be completed on final forms, document on how to complete will be sent home. This is required before any student can begin practicing or attending events.
- Academic requirements will be set forth by Hamilton County School System.
- Playing time is not guaranteed and may be limited in certain matches. A state tournament will be held. Every match win will help our overall seeding.
